**The Scotch Plains Rescue Squad does so much for our community, why not help them?**

**If you have the desire to be a part of the Scotch Plains Rescue Squad and want to help, but feel as if the medical part of it isn't for you, then The Auxiliary of the Scotch Plains Rescue Squad may be the place for you.**

**If you have it in your heart to help others and a little extra time on your hands, then please feel free to contact [scotchplainsauxiliary@gmail.com](mailto:scotchplainsauxiliary@gmail.com) for more information.**

**As a volunteer for the Auxiliary you will be a part of fundraising for the Rescue Squad, which will in time be used to provide new equipment and upkeep to the building.**
